1976 210m. deep red-brown & yellow Feluccas on the Nile aerogramme (Chalhoub # SALS20 - \$4), mint, fine . . . . . 2.

Notice: Joe Chalhoub's new book, *The Nile Post*, includes a new improved and up to date catalogue of all Egypt's postal stationery, with numbers (and prices, often too high), so these Chalhoub numbers should soon supplant the obsolete Higgins & Gage numbers.

Another Notice: I have more stationery in stock. I can't list it all. What do you seek?
